PRESS RELEASE

The Minister of Public Health informs the national public that, following the detection of aflatoxins in certain batches, an international withdrawal of certain Blédine brand infant food products has been initiated.

They include the following products:

Product	Weight	Expiry date
Blédine® Céréales Saveur Biscuit	400 g	06/09/2026
Blédine® Céréales Saveur Biscuit	400 g	09/09/2026
Blédine® Saveur Biscuitée & Lait	250 g	05/03/2027
Blédine® Miel & Lait	250 g	06/03/2027
Blédine® Banane & Lait	250 g	11/03/2027

To this end, in the absence of detailed information on the batches currently in circulation in our country, the Minister of Public Health has ordered the immediate withdrawal of all batches of the Bledine brand for preventive measures until the investigations are complete and their compliance confirmed.

In the meantime, the Minister of Public Health is calling on the population to refrain from consuming the aforementioned products until further notice and to report any suspected adverse events (digestive disorders, unusual reactions) to their nearest healthcare facility.

Lastly, the Minister of Public Health reaffirms his commitment to protecting children's health and will communicate any new information in real time, including instructions for returning to sales or replacement.

The Minister of Public Health

Dr. Manaouda Matachie
